Type of Watercraft: _____

Eight boat slips at the Hinsdale County Boat Dock are available to rent for motorized boats.

Because of the limited number of slips available, renters are chosen from a pool of applicants by lottery. In order to be included in the lottery, complete this application and return to Hinsdale County, PO Box 211, Lake City, CO 81235 or email to: office@hinsdalecountycolorado.us

Reservations for boat slips are chosen through two separate lotteries, one for private use and one for commercial use. The lottery will take place at the first Board of County Commissioners meeting in January. Four private boat slips may be available for rent, and three commercial boat slips may be available for rent. If the County receives less applications than slips available in either lottery, the remaining spots may be filled with either commercial or private applicants at the County's discretion.

Motorized, non-commercial slips (four available) are \$600 per season (mid-May to mid-October).

Motorized, commercial slips (three available limited to one slip per business) are \$1,200 per season. Commercial operations are defined as businesses that provide services involving watercraft on Lake San Cristobal for a fee.
