WHEREAS, the adoption of this Ordinance is in the best interests of the health, safety and welfare of Hinsdale County, Colorado.

**NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF HINSDALE COUNTY, COLORADO, THAT ORDINANCE NO.2 SERIES 2016, ORDINANCE NO. 1, SERIES 2007, AND RESOLUTION NO. 11, SERIES 2003 ARE HEREBY AMENDED AND REPLACED BY THIS ORDINANCE NO.   7  , SERIES 2017 AS FOLLOWS:**

1. The term “off-highway vehicle” (“OHV”) shall be defined as follows (see, § 33-14.5-101(3), C.R.S.): any self-propelled vehicle which is designed to travel on wheels or tracks in contact with the ground, which is designed primarily for use off of the public highways, and which is generally and commonly used to transport persons for recreational purposes. “Off-highway vehicle” does not include the following: vehicles designed and used primarily for travel on, over, or in the water; snowmobiles; military vehicles; golf carts; vehicles designed and used to carry disabled persons; vehicles designed and used specifically for agricultural, logging, or mining purposes; and vehicles registered pursuant to article 3 of title 42, C.R.S.

2. All public roads in unincorporated Hinsdale County shall be open to travel by OHVs and subject to this Ordinance.

3. No off-highway vehicle shall be operated at any time unless the operator of the off-highway vehicle has in his or her possession a valid motor vehicle driver's license or operator's license.
4. No off-highway vehicle shall be operated at any time, unless the operator of the off-highway vehicle is insured to the minimum level required by the State of Colorado for automobiles.
5. Seat belt use is required if seatbelts are incorporated into the OHV by the OHV manufacturer. In the event an OHV is manufactured to incorporate child car seats, child car seats and restraints must be used in accordance with laws for motor vehicles under Colorado law.
6. Eye protection is required of all OHV operators and passengers.
7. OHVs shall contain no more occupants than for which the OHV was designed and manufactured, but excepting therefrom any OHV that has a roll over protection device that was designed and incorporated into the OHV to safely allow for more occupants than which the OHV was designed.
8. Helmets are required for OHV operators and passengers under the age of 18, unless a passenger is properly contained in a child seat or restraint appropriate to the child's age. This child helmet exception is applicable only to OHVs designed and manufactured to support a child seat.
9. Off-highway vehicle operators and passengers are subject to all traffic laws applicable to motor vehicles and off-highway vehicles, including but not limited to, any state, federal, county or municipal law applicable to motor vehicle and/or off-highway vehicle operation. This shall include without limitation compliance with the applicable provisions of Title 42, C.R.S.
10. This Ordinance shall be enforced by any law enforcement officer or peace officer, including the person designated by the Board as the County Off-Highway Vehicle Enforcement Officer.
11. Littering, as provided by § 42-4-1406, C.R.S., is prohibited. A violation of this littering prohibition is subject to punishment as provided by § 42-4-1406, C.R.S.
12. Careless driving, as provided by § 42-4-1402, C.R.S., applies to OHVs hereunder and is prohibited. A violation of this careless driving prohibition is subject to punishment pursuant to § 42-4-1402, C.R.S.
13. It shall be unlawful for any person to knowingly allow, authorize, suffer or permit an OHV owned or belonging to him or her or under his or her possession or authority, to be operated by any person who is under the age of 16 and is in violation of Section 3 of this Ordinance.
14. Subject to Section 15 below and the entirety of this Section 14, any person who violates any provision of this Ordinance, upon conviction thereof, shall be punished by a fine of not more than one thousand dollars (\$1,000.00) for each separate violation. In addition to any other fine in which a convicted violator may be required to pay, the following applies: pursuant to § 18-1.3-603, C.R.S., in the event a violation of this Ordinance causes damage to a county road or other county property, the violator shall pay the county restitution to fix the damage caused by the violation.
15. The penalty assessment procedure provided in § 16-2-201, C.R.S., shall be followed for a violation of this Ordinance, unless a different procedure is required by Colorado law. The arresting officer may either give the person a penalty assessment notice and release him or her upon its terms or take him or her before a judge of the Hinsdale County Court. The choice of procedures shall be based upon circumstances which reasonably persuade the officer that the alleged offender is likely or unlikely to

comply with the terms of the penalty assessment notice, as well as the circumstances that warranted the stop and penalty assessment. The penalty assessment notice shall be a summons and complaint containing (i) identification of the alleged offender by name, address and social security number, (ii) specification of the offense with which the person is charged, and (iii) the applicable fine that may be paid to the County Treasurer in person or by mail within twenty (20) days of the date of issuance of the penalty assessment or else appear to answer the charge before the Hinsdale County Court on the date of its next regular session. Any person who chooses to acknowledge his or her guilt and is not otherwise required to appear in Hinsdale County Court may, within twenty (20) days of the date of issuance of the penalty assessment, pay a fine to the Hinsdale County Treasurer, either in person or by mail. Fines for violations of this Ordinance shall be the same as those that are applicable to motor vehicles under Title 42, C.R.S. Any uncontested payment that is provided to the Hinsdale County Treasurer shall be accompanied by a copy of the penalty assessment signed by said person acknowledging his or her guilt. Payment of the foregoing fine shall relieve the person receiving the penalty assessment of any further obligation to appear in the Hinsdale County Court to answer the offense charged in the penalty assessment, unless otherwise provided by this Ordinance or Colorado law.
