

Hinsdale County Road 30
Chip Seal and Bike Lane Project
Addendum #1
May 29, 2024

The following questions were asked during the bid review process. Responses are in **bold**.

1. Can you confirm shot rate for the 1/2" chips and 3/4 chips? It appears to be low? **After additional consultation, the following shot rates will be used on the project. Line Item 411-10216 (Emulsified Asphalt) (CRS@P) has been revised to 74,000 gallons as indicted on the attached revised bid schedule (dated April 16, 2024), which should be used for bidding the project.**
 - For 1/2 -inch chip sealing, a shot rate range of 0.44 to 0.46 gal./sq. yd shall be applied
 - For 3/4-inch chips, a shot rate range of 0.54 to 0.56 gal./sq.yd. shall be applied
2. What is the warranty period for the project ? **One year from the date of final project acceptance by Hinsdale County.**
3. There is reference to liquidated damages in Section 108 but we don't see any. **No liquidated damages have been assigned to the project.**

Contractor shall acknowledge receipt of this addendum and include this acknowledgement with their bid to be considered as compliant with the requirements of the Request for Proposal.
